

RELEVANT INFORMATION

MATTER: *RELEVANT CONTRACT EXECUTION*

DATE: *APRIL 11, 2019*

In compliance with the duties of disclosure of relevant information, Construcciones El C3ndor S.A. (hereinafter, the "Contractor") reports that yesterday a contract was signed with China Harbor Engineering Company Limited Colombia (hereinafter, the "Contractor") to "perform the necessary works for the rehabilitation between K16 + 000 to K46 + 234 of the Functional Unit 5 of the Road Project called Autopista al Mar 2 between the Municipality of Cañasgordas and corregimiento El Tigre, in the department of Antioquia" for COP \$11,409,510,236 including VAT within a period of 120 days calendar counted from the start record. This contract generates an increase in the backlog - balance of works contracted and to be executed - by Construcciones El C3ndor S.A. of approximately \$11,409 million COP
